This is Australian model Tanya Lazarou in her debut Studio shoot. As the original model for auto**babes**.com.au i-Magazine, she remains historic as she helped us launch the successful online venture. Tanya poses here with the famous 1974 Custom Corvette `Rebel' in a Monroe inspired theme shoot wearing Armani Dress and Prada Shoes. Tanya has since moved onto to other projects and continues to be successful in the realm of fashion, product and glamour modelling. The fact that this shoot was never published, remains even more rare and collectible.

These artworks are limited edition, extremely collectible and extremely high quality; 360gsm Cotton Canvas (NOT Polyester), 1440dpi prints, 9 Colour UV Inks !

They are stretched over a 38mm (approx 4cm) timber artist's frame and strung. They are ready to hang on your wall and will compliment any decor as canvas art is timeless.
